

Let's read

Read then put the words in the right place :

ten - ground -hop - easy- number - game- foot - children
girls - marker.

Many play hopscotch. It is a traditional Arabic .
It is very to play. Boys and can play this game. There
can be one or more players . Each player will need a .
This is how you can play the game. Draw big squares on
the . Write numbers 1-10 in the big squares. Put your
marker on one.

Hop through the squares using one .

Jump over the square you have your marker on . pick up
your marker on your way back. You can up and down
many times. The first person to finish on square number ten
wins the game!
