

## by Bryan Adams

Oh, thinking about  
All our younger years.  
There            only            and me.  
We were young and wild and free.

*Chorus:]*

Oh, once in your life  
You find  
Who will turn your world around,  
Bring you up  
When you're feeling down.

Yeah, nothing could change  
you mean to me.

Oh, there's a lot that I could say  
But just hold me now,  
'Cause our love  
Will light the way.

/Chorus/

I've        waiting for so long  
For something to arrive,  
For love to        along.

Now our dreams  
Are coming true.  
Through the        times  
And the bad,  
Yeah, I'll be standing there by you.

/Chorus/
