Unit 1. Test 2.

1. Read the dialogue and insert suitable pronouns from a word bank.

-Were there other reasons why you thought she might have harmed [1]_____?
-She was pregnant. And [2]_____ was terrified of giving birth. You know, being so far away from home. Not speaking the language, [3]_____. A couple of times she said she just wished she were dead. But [4]_____'d do that to her. Why would they do that?
- Well, that's what we're going to find out, Mr Yilmaz. [5]_____'re treating[6]_____as murder.
-Mr Yilmaz, who else knew Imal was pregnant?
-[7]_____ family, her family, everybody at work, [8]_____ at the mosque. Er, the doctors, next-door neighbours. Why? Why is [9]_____relevant?
- The nature of some of [10]_____ injuries might suggest whoever did it knew she was pregnant. [11]_____have to understand, Mr Yilmaz, we are gonna ask you [12]_____ difficult questions. But it's for Imal, so we can fully work out what happened to her. It's the most important thing we can do for her now.
- And we have to start with you because [13]_____found her. Okay, so can you tell [14]_____ where you were between two and four yesterday afternoon and who you were with?
- Yeah, [15]_____was at work, in an office with twelve other people till six o'clock at night.
