The Writing Process – Color Poem

Our Blue Poem

Blue looks like the sky on a clear day.
Blue sounds like a sad song
Blue smells like the salty seaside.
Blue tastes like freshly baked pie.
Blue feels like a cold breeze.
Blue reminds me of flying in a plane.

Write your own color poem:

1. Pick a color.
2. Write down all the senses. (look, sound, smell, taste, feel)
3. Plan for each sentence. What is something of that color?
4. Write each sentence down.
5. Read the poem out aloud to make sure it makes sense.
6. Share your poem with your teacher.
