

ACTIVITY: Read the routine and choose the correct action

What's your daily routine?

Paul: I normally _____ at about eight.

Then, I _____ breakfast. **And then,** I usually go to school and study.

After class, I _____ home and have

lunch. **In the evening,** I have dinner and then I go to gym and _____ some exercise. After the gym, I meet my friends and have a few drinks **and** go to sleep.

Silvia: About the same, but I don't have too many classes now, so I only _____ to go to school three times a week, so normally when I don't have school I _____ really late

so it's kind of breakfast **and** lunch combined normally, and I _____ to go to the gym, but I'm too lazy. It's kind of a boring routine. Like waking up, and if I have to go to school, I go to school. I go back home, _____ dinner, _____ homework, go to bed, that's it practically.
