

Lesson 4: Our learning

Activity 1 Reading

Read the comments on a website. Which students think **talking in class is a good idea?**

Sometimes, I don't want to ask the teacher. I am worried that I have the wrong answer. I like asking my friends first.

- Omar

Why?

I talk with friends to see if we have the same answer. This helps me know that I understand

- Khadija

Why?

We have noisy classmates. They always talk in class. Sometimes I can't hear the teacher. I don't like students talking in class.

- Alia

Why?

Our teacher lets us talk at the end of class. We talk about what we learned. This helps us remember all the information. I like this time.

- Asma

Why?

Talking in class is great. It helps me learn how to pronounce words. The teachers give us lots of time to talk.

- James

Why?

I don't think students should talk in class. We need to think in class. It is hard to think when there's too much talking.
