CHOOSE THE WORD

Heal the world
Make it a better **space / place**
For you and for me, and the entire human race
There are people **crying / dying**
If you care enough for the **humans / living**
Make a better place for you and for me
And the **dream / big** we were conceived in will reveal
a joyful face
And the world we once believed in will **shine / rise**
again in grace
Then why do we keep strangling life
Wound this earth, crucify its **soul / song?**

CHOOSE THE WORDS

Though it's plain to see, this world is heavenly
Be god's **glow / low**
We could fly so high
Let our spirits never **lie / die**
In my heart I feel you are all my brothers
Create a world with no **hear / fear**
Together we cry **happy / saggy** tears
See the nations turn their swords into plowshares
We could really get **there / here**

Make a little **space / place**
To make a better place
