**WE'RE GOING GREEN!**

**We're going green! We're going green!**
**We're gonna take care of the Earth**
**We're going green!**

You can go green at your home or school
**Reduce**
**Reuse and**
**Recycle**

**REDUCE!**
Be careful how long you take a shower
You don't need to stand there for hours!
Turn off the water when you're brushin' your teeth
And only use the necessary energy!

Turn off the lights when they're not in use
Think how much electricity you produce
Take quick drinks
Walk to school
Reducing is really cool!

Pull out plugs when you're not using them
Turn off the computer every now and then
Throw away litter
Pick up trash
And you'll the Earth
in a flash!

We're going green! We're going green!
We're gonna of the Earth
We're going green!

You can go green at your home or
Reduce
Reuse and
Recycle

**REUSE!**
Reuse stuff when you're out and about
If you can use it again
don't throw it out
Reuse ,
reuse bags,
reuse containers and

reuse rags.

Donate
so someone else can use 'em!
donate clothes
don't just lose 'em!

We're ! We're going green!
We're gonna take care of the Earth
We're going green!

You can go green at your home or school
Reduce
Reuse and
Recycle

**RECYCLE!**
Just throwing away is not enough
some things to make new stuff!
Like paper, cans and , too
glass and cardboards
out the wazoo!

Games, CDs and DVDs,
light bulbs, cartridges and batteries
laptops, cell phones and the news
lots of , you can choose

**WE'RE GOING GREEN!**
