

On weekends I usually drive my \_\_\_\_\_ and go to the \_\_\_\_\_.

I like having long walks in the forest. I love seeing many \_\_\_\_\_,

\_\_\_\_\_ and different types of \_\_\_\_\_.

\_\_\_\_\_ is my favourite season, because the \_\_\_\_\_ of the \_\_\_\_\_

turn different colours, \_\_\_\_\_,

\_\_\_\_\_ and \_\_\_\_\_

Sometimes my \_\_\_\_\_ (hijo) comes with me to the \_\_\_\_\_

sometimes my \_\_\_\_\_ (hermana). She loves looking for wild animals such as

and \_\_\_\_\_

My son loves climbing \_\_\_\_\_ (rocas) and collecting \_\_\_\_\_ (piedras pequeñas)

to take home. We always walk through a \_\_\_\_\_ that takes a to a

beautiful \_\_\_\_\_. I love the weekends at the \_\_\_\_\_ (montañas)!
