

UNUSUAL HOMES FOR SALE

1. Luxurious home

This beautiful old windmill in the south of England is next to a beautiful park, but also near a busy town. It has three bedrooms, a bathroom, a large kitchen and a living-room. There is also a cellar under the kitchen, and a garden outside.

2. Unusual detached house

Near a pretty village in the Italian countryside, this house with an unusual roof is very private. The small windows mean that the house feels cool all day, but you can also relax in the light, sunny garden behind the house. Inside, there are five bedrooms, two bathrooms and a study. There's also central heating. There isn't an attic.

3. Eco-villa by the sea

This lovely eco-friendly home is on an island in Georgian Bay, Canada. In front of the villa lies the bay, which is part of the Atlantic Ocean. The villa has one bedroom in the attic. On the ground floor, there is a bathroom, a kitchen and a living room with a small library. On one side of the roof, there are solar panels, which provide all the hot water. There isn't a garage, but there's a huge garden !
