

"Woman In Love"

Barbra Streisand

Life is a moment in world /space
When the dream / wish is gone
It's a lonelier way /place
I kiss the morning / day goodbye
But down outside / inside,
you know we never know why
The road is wide / narrow and long
When eyes meet / see eyes
And the feeling is weak /strong
I turn away from the floor/wall
I stumble and stand /fall
But I take /give you it all

I am a woman in passion /love
And I'd make /do anything
To get you into my dream / world
And hold/ get you within
It's a right I protect /defend
Over and over more/again
What do I do

With you eternally mine/wine
In love there is no measure of time
We planned it all at the end /start
But you and I live in each other's heart

We may be oceans/ lakes away
You'll feel my love
I near /hear what you say
No truth/ youth is ever a lie
I stumble and fall
But I live /give you it all

I am a woman/ lady in love
And I'd do everything /anything
To get you into my world
And hold you within
It's a wrong /right I defend
Over and over again
What do I do

I am a woman in love
And I'm talking to you
You know I know how you feel
What a woman can do
It's a right I defend
Over and over again

I am a woman in love
And I'd do anything
To get you into my world
And hold you within
It's a right I defend
Over and over again
