cousins	financial	children	adults	

WHAT ARE THE FAMILY TYPES?

Nuclear Family

Often called the “_____ family”, this type of family consists of a mother, a father, and their _____ or adoptive descendants.

It means that in nuclear families, both adults are the biological or _____ parents of their children.

Single-Parent Family

This type of family is defined when there is only one parent in the _____ raising the children.

This is due to high _____ rates and adults choosing not to _____.

Extended Family

An extended family is formed by two or more _____ from different _____ of a family who share a household. It consists of more than parents and their children living together; it may be a family that includes parents, children, _____, aunts, uncles, grandparents, _____, etc.

The extended family may live together for many reasons: help raising children, _____ for an ill relative, or help with _____ problems.

Childless Family

Childless family is simply a _____ or group of people from all kinds of backgrounds who, for whatever reason, have never had _____.

Many childless families choose not to have children because they _____ on their _____, or like to travel. Instead of children, childless families usually have _____.
