

## LESSON 9-10 **Filming with drones**

### **Writing**

 Write the advantages and disadvantages of drones and complete the table.

| Advantages                                                     | Disadvantages                                                     |
|----------------------------------------------------------------|-------------------------------------------------------------------|
| <ul style="list-style-type: none"><li>• really small</li></ul> | <ul style="list-style-type: none"><li>• quite expensive</li></ul> |
|                                                                |                                                                   |
|                                                                |                                                                   |
|                                                                |                                                                   |
|                                                                |                                                                   |
|                                                                |                                                                   |
|                                                                |                                                                   |
|                                                                |                                                                   |
|                                                                |                                                                   |
