Decompose 3-Digit Numbers

Name _____

Review

You can decompose numbers by replacing a base-ten block with other base-ten blocks that have an equal value.

$200 + 70 + 8 = 278$

$100 + 170 + 8 = 278$

Decompose the number in two different ways.

1. 593

_____ + _____ + _____ = 593

_____ + _____ + _____ = 593

2. 362

_____ + _____ + _____ = 362

_____ + _____ + _____ = 362

3. 745

_____ + _____ + _____ = 745

_____ + _____ + _____ = 745
