Al Falah Darussalam 2 Primary School

Bismillahirrahmaanirrahim

Read the text about Maryam and Hamid.

My sister's name is Maryam and she is 23 years old. She works in an office. She is tall and has green eyes. Maryam sometimes wears red glasses and she often read books in the library. When she does not study, you can sometimes find her in gym. She likes to exercise two or three times a week. Because she likes to exercise, she is thin, strong and healthy. She is also very funny person and she loves talking with people and make them laugh, so she has lots of friends. Maryam has a big friendly smile and I think she is a beautiful person. Everyone loves her and of course. I am very happy that she is my older sister.

My brother's name is Hamid and he is only ten years old. He is a primary student in grade four. He is younger and shorter than I am, but he says that he is the tallest person in his class. Hamid has short, red hair, big ears and a small mouth. He does not wear glasses. Unfortunately, he does not like to study very much. He thinks it's much better to watch TV and play video games. He says that he wants to be a pilot when he grows up. Sometimes, on weekends, his friends come over to our home to play. Sam is my brother, and I like him, but sometimes he is a little lazy and a little noisy!
