Conversation 1.16

Christine: So, when will we know if the project is approved?

Michelle: I'll let you know after I discuss it with my boss.

Christine: Do you have an idea of the budget?

Michelle: I couldn't say just yet.

Christine: When is the deadline? How long will we have?

Michelle: It depends. Can I get back to you on that?

Christine: Absolutely.

Michelle: I'll call you as soon as I have firmer answers.

Christine: That sounds good. We look forward to hearing from you. We need more details, so we can present a formal proposal. And hopefully we can sign a contract soon.

Michelle: I hope it works out and we can work together.
