This text is for question 11-15

Receptionist : Good evening, what can I do for you ?

Guest : Good evening, I want to go out. Do you know a romantic place around here? You know my wife and I are having honeymoon

Receptionist : Ok Sir, I know a place near here which is so romantic. How about visiting Heha Sky View, Sir? It is very well-known now.

Guest : Can you describe that place?

Receptionist : **Heha Sky View is a three-story dining place that carries the concept of selfies with natural and garden landscapes.**

The first floor is designed family friendly and equipped with air conditioning. Then the second floor of the restaurant caters to group visitors and is equipped with fans and windows that are always open. Next on the third floor is a half open rooftop. This floor contains the iconic selfie photo spot from Heha Sky View, namely Sky Glass. This iconic photo spot takes the form of a glass terrace. Heha Sky View recommends that visitors who want to take pictures on the Sky Glass are up to four people for safety reasons. This place also provides special footwear for visitors who want to take pictures on the Sky Glass. During the afternoon to the afternoon, visitors can enjoy the beauty of the hills and the amazingly beautiful sunset. But once night falls, the flickering of the luxurious city lights becomes the main treat.

Guest : Hmm, nice suggestion. Thank you

Receptionist : You are welcome, Sir

This text is for question 16-18

Tour guide : Good morning, Sir. I would like to inform you that we are going to begin our trip at 9.00 a.m. Do you have anything to ask, Sir?

Guest : Which location will we visit first?

Tour guide : First, We are going to Tamansari, Sir.

Guest : What is Taman sari? Is it a park? Can you tell me more about it?

Tour Guide : Taman Sari is a historical site in Yogyakarta, which was once a bath for the king's family. The building features detailed, complicated, and typical art with Javanese culture.

According to the story, Islamic Mataram kings had a special tradition. They always bathe in the pond every particular month. Each bath ritual, they were always accompanied by a string of gamelan musical instruments that was heard from a number of small buildings, located at the right and left baths. The construction of this Taman Sari has two main doorways, the first facing westward called Gapuro Agung, and the second facing eastward called Gapuro Panggung. Nowadays, the entrance for the visitors is through the eastern doorways called Gapuro Panggung. Entering the entrance, visitors firstly meet the bathing pond which was allowed only for Sultan and his family. When seeing the construction, visitors can recognize the architecture elements of the building which contains of

some combination architecture styles of Hindu, Buddhist, Javanese, Islam, China, Portuguese, and Europe style.
