

Verb tenses – present simple and continuous, and past simple

Read Fatima's email below and complete with the correct form of the verb in brackets. Use present simple, present continuous, or past simple.

Hi Fatima

How are you? I'm really enjoying my time here in the London, but it's very different from home. I (arrive) two weeks ago, after a very long flight. I really (miss) my family, but I'm happy to be here too.

I (stay) with my aunt and uncle in their house. We (have) breakfast together every day, and sometimes we (go) to visit different places in the city. Last week I (see) Buckingham Palace and the London Eye. Right now I (write) this on the bus. I (visit) a friend from school who moved here two years ago.

Can't wait to tell you all about it when I get back!

Take care

Miriam
