### Tell us how you feel about **SCHOOL**

When I was six, I went to <sup>1</sup> \_\_\_\_\_ school. I enjoyed it because in the first <sup>2</sup> \_\_\_\_\_, everyone looked after us. We didn't have homework but we had to <sup>3</sup> \_\_\_\_\_ in all our subjects, and the teachers helped us. At the age of 11, I changed schools and went to <sup>4</sup> \_\_\_\_\_ school. That was hard because I didn't have any friends. I didn't like it and I <sup>5</sup> \_\_\_\_\_ in the first tests. When we <sup>6</sup> \_\_\_\_\_ for the holidays, I had to have

extra lessons. I didn't want to go back to school but I had to <sup>7</sup> \_\_\_\_\_. Fortunately, now I'm in Year 12 and things are different. These days I love school, have lots of friends, and I'm studying hard. I want to go on to university and get a first-class <sup>8</sup> \_\_\_\_\_ in design. It's really important to get good <sup>9</sup> \_\_\_\_\_ these days to find a good job. It just shows you how important <sup>10</sup> \_\_\_\_\_ is!
