

Greetings

I'm Carol. I am twenty years old. I live in USA with my family. But, I am from Mexico. I am studying english because I want to understand the language better. And you? What is your name?

Now is your turn! Present yourself.

1. What is your name?

2. How old are you

3. Where do you live?

4. Where are you from?

5. Why are you studying english?

Now, put everything together and practice your own presentation to the next class!
