She is my great grandmother. She was my grandmother's mum.

Her name was Josefa, but everybody called her Pepita.

She was born in 1900 in Carballo.

She was the youngest of three brothers.

She lived in Carballo in Casa Don Juan but when she was 18 she got married with César and she moved to Cangas.

She lived in Cangas during 9 years.

She had two daughters, Ana and my grandmother, Alicia.

She loved singing and dancing Son d-arriba, She won a Dance competition. She was the best Son d-arriba dancer in Cangas. She loved music and her family.

I didn't meet her but i asked my grandmother about her life.
