

MONSTERS

I see your monsters, I see your Tell me your I'll chase them away.
I'll be your lighthouse, I'll make it okay.
When I see your monsters, I'll stand there so brave. And chase them

In the dark, we, we. We apart, we, we
Never see that the things we need are right at us.
You just want to hide, hide, hide never show your smile,
Stand when you need someone
It's the thing of all. That, you see, are the bad, bad, bad memories,
Take your time and find me.

I see your monsters, I see your pain. Tell me your problems. I'll chase them away.
I'll be your, I'll make it okay.
When I see your monsters, I'll stand there so brave. And chase them all away.

I could see the sky, sky, sky, tonight, night.
When you, why can't you see that the are in your head?
I would stay there, there, there. No need to fear,
And when you need to talk out with someone you can trust.
That, you see, are the bad, bad, bad,
..... your time and you'll find me.

I see your monsters, I see your pain. Tell me your problems. I'll chase them away.
I'll be your lighthouse, I'll make it okay.
When I see your monsters, I'll stand there so
And them all away. I'll chase them all away.

You've got the chance to see the light. Even in the night.
And I will be here like you were for me. So just let me in. "Cause..
I see your monsters, I see your pain. Tell me your problems, I'll chase them away.
I'll be your lighthouse, I'll make it okay. When I see your monsters, I'll stand there so brave
And chase them all away.
