The Princess and the Dragon

A beautiful princess lived in a palace with her father, the King. She wanted to find the King's lost treasure. So she put on her father's cloak and hat and took his sword. She went out into the forest.

It was dark and she couldn't see well. She fell over something. What was it? She looked carefully and saw an old lamp. When she rubbed it, a yellow light appeared. Now she could see the path through the forest.

The princess arrived at the mountain. She went into the dark cave, holding her magic lamp. She saw a treasure chest full of jewels.

She heard a noise. She turned around and saw the dragon.

"That treasure is mine," said the dragon.

"No, it isn't. It belongs to the King – it's his!"

She picked up the treasure chest. Then she rubbed the lamp – and disappeared! The dragon was very surprised and unhappy because he lost the treasure.
