What a wonderful world

(by Sam Cooke)

*But I do know that I love you,
And I know that if you love me, too,
What a wonderful / marvelous world this would be*

Don't know much about geography / geology,
Don't know much trigonometry / triangles

Don't know what a slide rule is for

But I do know that one and one is two / true,
And if this one could be with you,
What a wonderful world / word this would be

Now, I don't claim to be an "A" student / scholar,
But I'm tryin' to be / see
For maybe by being an "A" student, baby,
I can win / sing your love for me

And I know that if you love me, too,
What a wonderful world / word this would be*
