**4) Read and choose the right answers.**

My favourite place is a restaurant called Spice. I live in a small village but my family and I often travel into the city centre to go shopping and we always eat at Spice when we're there. We usually go on Thursday. It's a small place and you can buy big plates of noodles and vegetables there. You can also buy soup. My mum and dad eat soup at Spice. They don't cook any meat or fish, but that's OK. I like vegetables and I love watching the robots. That's right, robots! They're the really good thing about Spice. People don't make your food – robots do! They cook the food and put it on plates for you!
