4 Listen to the song and have fun

There are jumpers on the chair.
There are shirts on the bed.
It's a messy, messy room.
But it's MY messy room.
There are boots on the desk,
And a lollipop too!
It's a messy, messy room.
But it's MY messy room.
There are dolls in the wardrobe,
Socks on the bookshelf,
Key rings and postcards,
And comics on the rug.
Oh yes, it's very messy.
It's very, very messy.
But it's MY messy room, OK?
There are dolls in the wardrobe,
Socks on the bookshelf,
Key rings and postcards,
And comics on the rug.
Oh yes, it's very messy.
It's very, very messy.
But it's MY messy room, OK?
