TASK 1. READ THE TEXT AND SEND IT BY VOICEMAIL (мәтінді оқып, дауыстық хабарлама арқылы жібер)

A photograph of a group of people on horseback in a wide, open field under a clear blue sky. In the foreground, a person in a white shirt and pink pants is riding a dark horse. Behind them, several other riders are visible, some in traditional attire. A large green speech bubble with a white outline is positioned in the upper left corner of the image, containing the title 'My Favourite Hobby' in white, bold, sans-serif font. The word 'Hobby' is written in a larger, bolder font than 'My Favourite'. The background shows rolling hills and a bright sun in the sky.

► Most teenagers my age like playing computer games or learning a musical instrument as a hobby. As for me, I like playing baiga, a popular traditional Kazakh sport. We ride horses fast over short distances, but the races can be up to 100 kilometres long. In this case, you have to be careful not to ride too quickly at first, or your horse can get extremely tired before the end.

B I usually play baiga every weekend with my friends. We go to different areas to practise riding on various surfaces. Throughout the year, we also take part in competitions during important national celebrations.

 You do not need a lot of things to play baiga, just a horse and comfortable clothing. However, when we take part in competitions, we have to wear a uniform. To play this sport you need a good understanding of horses, strength and a positive attitude, too.

D I really enjoy baiga because it is exciting and I feel free riding across the Kazakh land. I also feel proud that my hobby is tied to the history and culture of my country.
