Hi, Liam!

My name's Sarah. I'm thirteen years old and I'm from Buenos Aires, Argentina. I've got a twin sister. Her name's Lorena. We've got a dog and two cats. They are very nice pets. I like school very much. My favourite subject is Science. I love experiments! I have Science lessons on Friday. Do you like school? What's your favourite subject? Please, write and tell me. Love,

Sarah
