

Uncover – Zara Larsson

1) Complete with the missing words.

Nobody ___, nobody ___,
We are a ___ can't be exposed
That's how it is, that's how it goes,
Far from the ___, close to each ___.

In the ___, in the ___,
When the sun is shining,
On the late ___, on the late ___,
When the moon is blinding
In the plain sight, plain sight,
Like ___ in hiding,
You and I burn on, on

Put two and to-gether, for-ever will never ___
Two and to-gether will never ___
Nobody ___, nobody ___,
We are a secret, can't be ___
That's how it is, that's how it goes
___ from the others, ___ to each other
That's when we ___, cover, cover
That's when we ___, cover, cover

2) Choose the correct word.

My asylum, my asylum is in your **arms / hands**
When the world gives heavy burdens
I can bear a **hundred / thousand** times
On your shoulder, on your shoulder
I **can / could** reach an endless sky
Feels like paradise

Put two and to-gether, for-ever will never change
Two and to-gether will **ever / never** change

CHORUS

3) Order the verses.

The world could disappear
I just need you near.

Wouldn't notice, wouldn't care
We can build a universe right here

We could build a universe right here,
All the world could disappear

CHORUS
