LIVEWORKSHEETS

+ =

Two dice showing 2 and 2 are added together.

A large grey arrow points to a circular spinner divided into four colored segments: orange, red, blue, and green. The orange segment contains a yellow diamond with four dots and a black 'x'. The red segment contains two dice showing 2 and 2 with a plus sign. The blue segment contains a red diamond with one dot and a black 'x'. The green segment is empty.

+ =

Two dice showing 3 and 1 are added together.

A large grey arrow points to a circular spinner divided into three colored segments: red, blue, and green. The red segment contains a pink diamond with one dot. The blue segment contains two dice showing 3 and 1 with a plus sign. The green segment is empty.

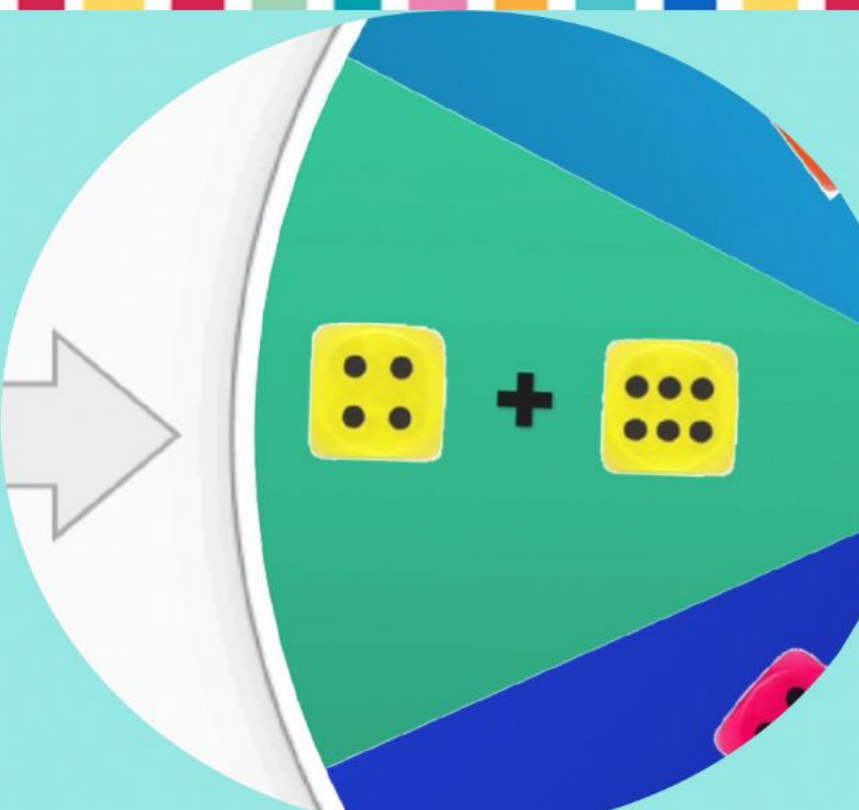

2 + 4 =

A large wheel with colored segments (purple, green, orange, yellow) is shown on the right side of the page.

6 + 3 =

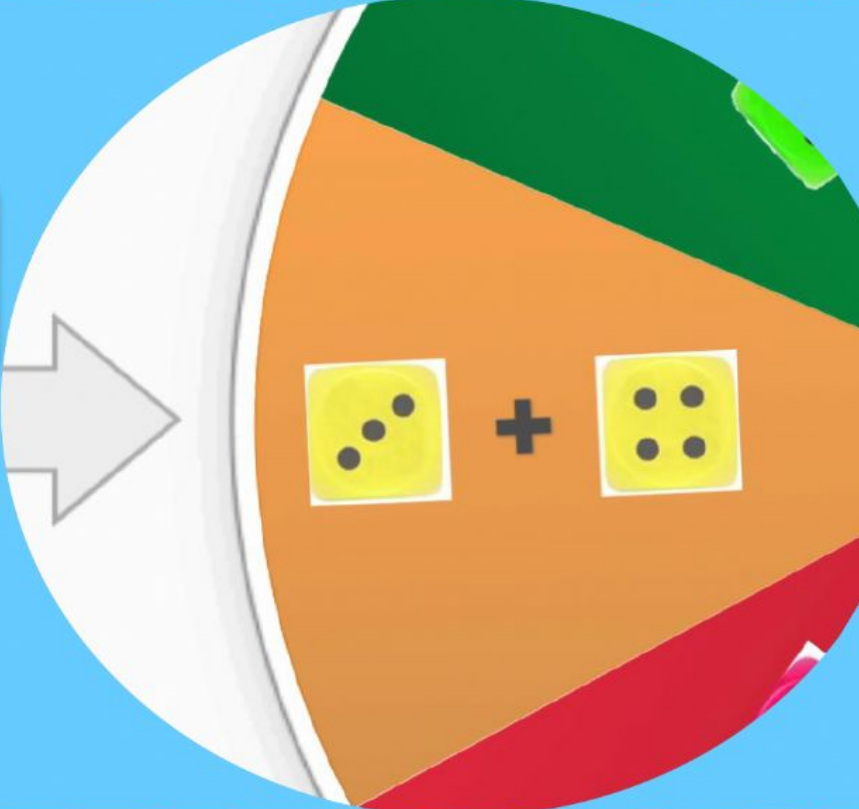

A large wheel with colored segments (blue, purple, green, yellow) is shown on the right side of the page.

4 + 6 =
