

Practiquem les divisions d'una xifra (2)

The image shows four handwritten division problems on a grid background. Each problem is written on a set of four horizontal lines, with the divisor on the right and the dividend on the left. The problems are:

- $3.942 \overline{) 12}$
- $9.967 \overline{) 13}$
- $7.580 \overline{) 15}$
- $4.386 \overline{) 16}$

Below each problem, there are several horizontal lines and a curved line, indicating the space for the student to perform the division and write the quotient.
