Sobre Lady Gaga
Lady Gaga, na verdade Stefani (é seu nome verdadeiro), é uma cantora americana, Compositora e atriz. Ela é conhecida pela forma como se veste. No 2010 MTV Video Music Awards ela usou um vestido feito de carne crua. Lady Gaga foi muito criticada por causa disso. Hoje em dia ela é mais conhecida por suas canções do que por suas roupas.

Perfect Illusion by Lady Gaga

Learning Focus: Simple Past.

About Lady Gaga
Lady Gaga, actually Stefani (it's her real name), is an American Singer, Songwriter and Actress. She has been known by the ways she dresses. At the 2010 MTV Video Music Awards she wore a dress made of raw beef. Lady Gaga was very criticized because of that. Nowadays she is more well known by her songs than by her clothes.

Was e were são as flexões do verbo to be no passado. A flexão **was** é usada com os pronomes **I (eu), he (ele), she (ela), it** (utilizado para fazer referência a pessoas, animais, lugares e/ou objetos). Já a flexão **were** é usada com os pronomes **you (você), we (nós), you (vocês) e they (eles/elas)**

7) There are two forms of the verb to be in the past: was and were. When you have a sentence with was or were, you don't use DID as an auxiliary verb to ask questions. You must use was or were. Just put it in front of the pronoun. Let's try! Change the sentences below into interrogative

7) Existem duas formas do verbo estar no passado: was e were. Quando você tem uma frase com was ou were, você não usa DID como um verbo auxiliar para fazer perguntas. Você deve usar was ou were. Basta colocá-lo antes do pronome. Vamos tentar! Mude as sentenças abaixo em interrogativo

a) It was a perfect illusion.

b) You were so perfect.

c) It was love.

d) You were a perfect illusion.

8) The same thing happens into the negative form. When you have a sentence into the simple past with was and were, you don't use 'DIDN'T' to change it into negative. You just need to use not after the verb to be or the contractions form wasn't and weren't. Let's see. Change the sentences now into the negative form:

8) A mesma coisa acontece na forma negativa. Quando você tem uma frase no passado simples com was e were, você não usa 'didn't' para transformá-la em negativo. Você só precisa usar **not** após o verbo to be ou a contração wasn't ou weren't. Vamos Ver. Mude as frases agora para a forma negativa:

a) It was a perfect illusion.

b) You were so perfect.

c) It was love.

d) You were a perfect illusion.
