## The Kitchen -

- 1-The kitchen is where we make and eat our meals.
- 2-There is a stove in the kitchen.
- 3-Inside the stove there is an oven where you bake things.
- 4-You can put a cake into the oven to bake.
- 5- On top of the stove are burners.
- 6-The burners get hot.
- 7-You put pots or pans on the burners.
- 8-The refrigerator is where we store the food that needs to be kept cold.
- 9-We keep milk, eggs, cheese and vegetables in the refrigerator.
- 10-At the top of the refrigerator is the freezer.
- 11-The freezer keeps things frozen.
- 12-We have frozen vegetables, ice cream and ice cubes in the freezer.
- 13-We have a toaster in the kitchen.
- 14-You put the bread in the toaster, and it turns into toast.
- 15-We have an electric kettle. We boil water to make tea in the kettle.
- 16- There is a double sink in the kitchen.
- 17-That is where we wash the dishes.
- 18-We turn on the hot tap,
- 19-and put some dish detergent into the sink to wash the dishes.
- 20-Sometimes we put the dishes into the dishwasher, and the dishwasher washes the dishes.
- 21-There are other things in the kitchen.
- 22-There are utensils like knives, forks and spoons.
- 23-There are tea towels and dish clothes.
- 24-There are oven mitts and pot holders to take hot things out of the oven.
- 25-There are pots to cook and boil things in.
- 26-There are pans to fry things.
- 27-We have dishes that we eat from.
- 28-We have plates for our dinner, and bowls that we can put our soup in.
- 29-We drink from cups, or coffee mugs, or glasses..
- 30- We keep our juice in a pitcher or a jug.
- 31-There is a timer that you can set when you are cooking.
- 32-The timer buzzes when the food is ready.
- 33-We also have a microwave oven in the kitchen.
- 34-If we are in a hurry, we cook our food in the microwave.
