**From:** Mia ([mia\\_more@gmail.com](mailto:mia_more@gmail.com))

**To:** Kelly ([youxd@gmail.com](mailto:youxd@gmail.com))

**Subject:** My vacations

*Dear friend,*

*It feels like it has been such a long time since I have seen you. I know it's only been two weeks since school got out. So far my summer in California has been great! I spend my weekends at the beach. I am getting a nice tan. I have been playing lots of beach football, building sandcastles and finding cool seashells. Last weekend I won second place in a sandcastle contest at Horseshoe Bay!*

*On the weekdays I go to summer day camp. In the mornings we read and write. I have read so many interesting books. In the afternoons we go on field trips. The camp teachers are really nice. I have been to cool places like the Aquarium, Dolphin Quest and even the police station.*

*I hope your summer in Mexico has been fun too! There are only six weeks left before we go back to school. Next school year should be great. I can't wait to see you but I don't want summer to end.*

*Your friend,*

*-Mia*
