

# Choose the objects that absorb water

1.

Dice

☐

2.

Book

☐

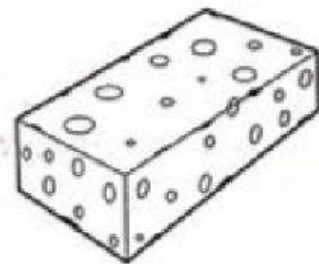

3.

Bowl

☐

4.

Sponge

☐

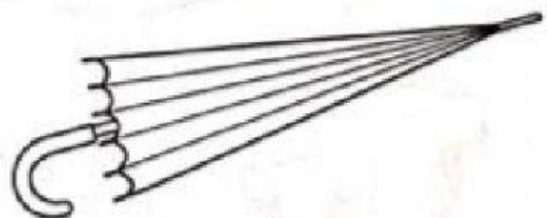

5.

Sock

☐

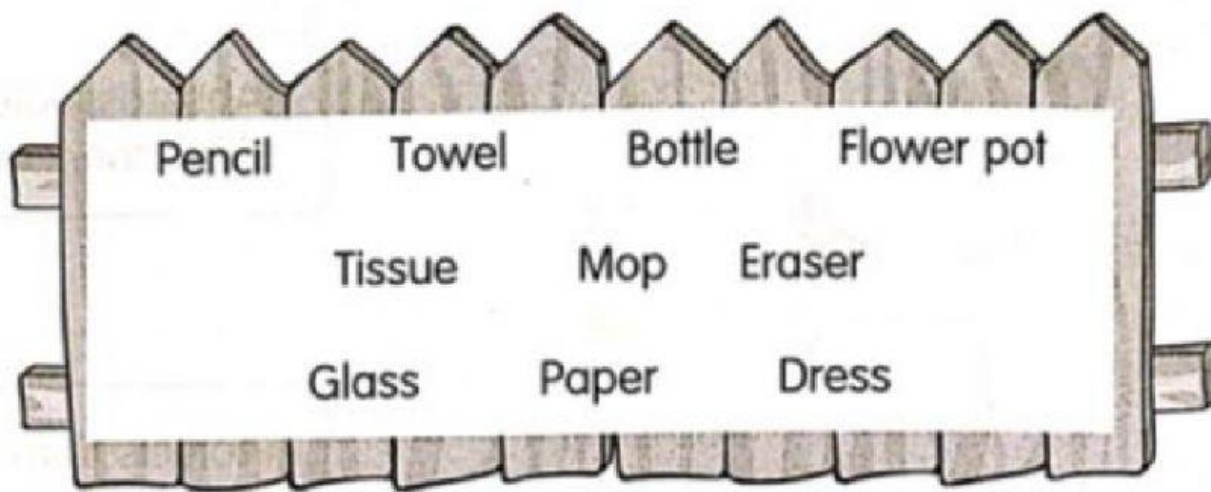

6.

Umbrella

☐

- B** Classify the objects below into objects that can absorb water and objects that cannot absorb water. 

**Can absorb water**

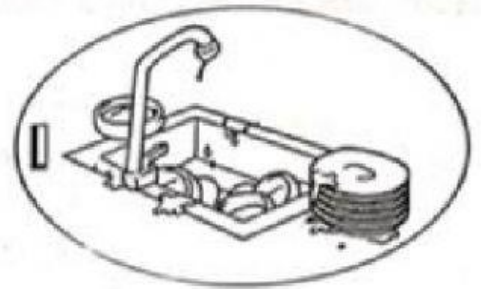

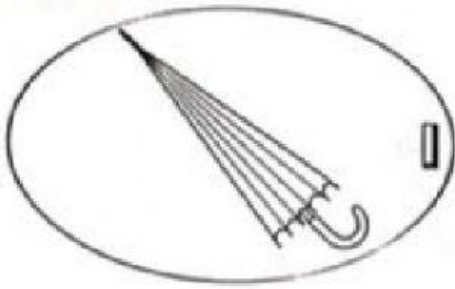

- 1.
- 2.
- 3.
- 4.
- 5.

**Cannot absorb water**

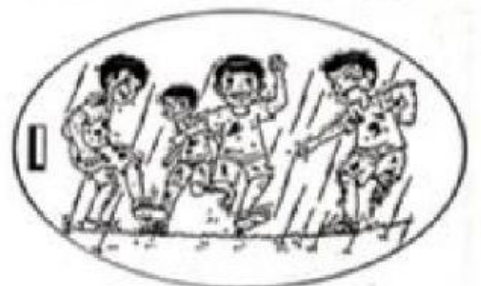

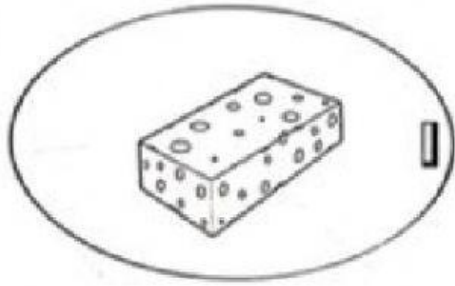

- 1.
- 2.
- 3.
- 4.
- 5.

Match the materials that can absorb water and cannot absorb water with their uses.

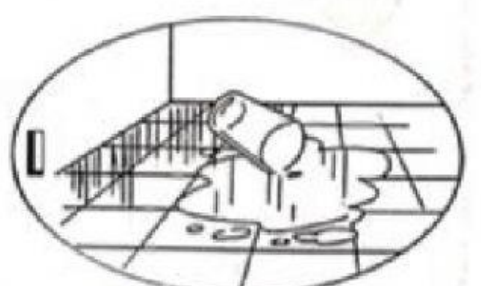

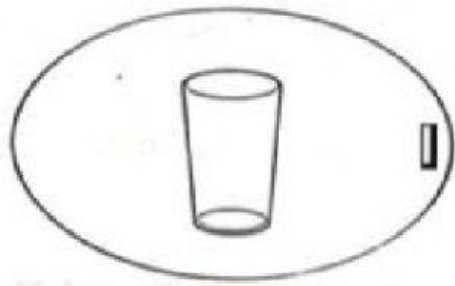

1.

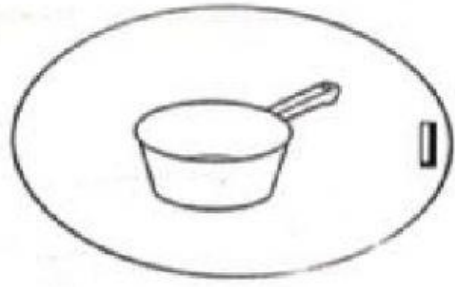

2.

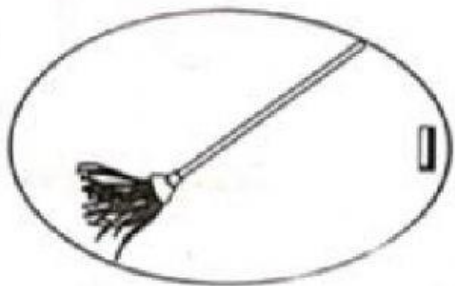

3.

4.

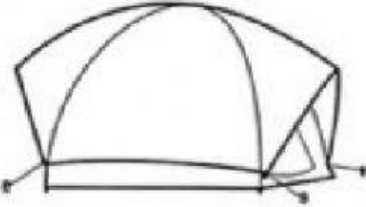

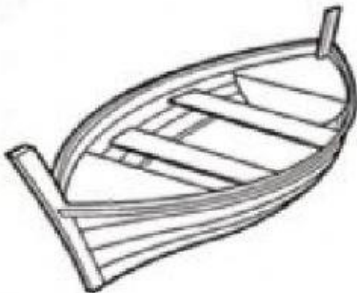

5.

Tick ( ✓ ) the importance of objects that cannot absorb water. **HOTS** Analysing

<p>1.</p> 	To protect from the rain	
	Can play around in the tent	
<p>2.</p> 	To contain water for drinking	
	To make it easier for us to eat rice	
<p>3.</p> 	To make the sampan sink	
	To make the sampan move on water	
<p>4.</p> 	So that the water it contains is the least	
	So that the water it contains will not spill
