

Listen to the song and fill in the blanks.

**The world has got many animals**

The world has got many  (1),  
 (2),  (3), thin and  (4).

The world has got many animals.

Do you know them all?

(5) are  (6),  
But tigers are  (7).

(8) are fast,

But cheetahs are  (9).

(10) are  (11) than zebras

And mice are  (12) than rats.

(13) are shorter than  (14).

And  (15) are bigger than cats.
