

Use the graph of  $f(x) = |x|$  to describe the transformation of the  $g(x)$ ?

☐ The graph of  $f$  Shifted 8 units down

☐ The graph of  $f$  Shifted 8 units left

☐ The graph of  $f$  Shifted 8 units up

☐ The graph of  $f$  Shifted 8 units right

☐ The graph of  $f$  Shifted 5 units right

☐ The graph of  $f$  Shifted 5 units up

☐ The graph of  $f$  Shifted 5 units down

☐ The graph of  $f$  Shifted 5 units left
