It isn't as big as London, England and there aren't as many things to do, but I like it. There is a great swimming pool here and there are lots of parks. They are smaller than the parks in London, England, though. My house is on North Main Street and it's opposite a basketball court. I go there every day to play. Last year I travelled to Europe for a month. It was my longest trip ever. Of course, I stayed in London, England for a few days, just to see what it was like. It's a beautiful city with lots to do. The red double-decker buses were great and I really liked the museums. But I think London, Ohio is nicer, though, because it's my home.
