I (threw/through) a wish in the well. Don't ask me, I'll never tell I looked (to, too, two) you as it fell,

And now you're in my (weigh/way)
I'd trade my (sole/soul) for a wish,
Pennies and dimes for a kiss
I wasn't looking for this,
But now (you're/yore) in my (whey/way)

Your (stair/stare) was holdin',
Ripped (jeans/genes), smile was showin', hot (knight/night), wind was blowin'
(Where/Wear) you think you're going, baby?

Hey, I just met you, and this is crazy, but (hears/here's) my number, So call me, maybe?
It's hard to look (right/write),
At you baby, but (hears/here's) my number, So call me, maybe?

Hey, I just met you, and this is crazy, but (hears/here's) my number, So call me, maybe?
And all the other boys,
Try to chase me,
But (hears/here's) my number,
So call me, maybe?

You took (you're/your) time with the call, I took (no/know) time with the fall

You gave me nothing at all,
But still, you're in my (weigh/way)
I beg, and borrow and (feel/fill)
Have (foresight/four sight) and it's (reel/real)

I didn't know I (wood/would) feel it, but it's in my way

Your (stair/stare) was holdin',
Ripped (jeans/genes), smile was showin', hot (knight/night), wind was blowin'
(Where/Wear) you think you're going, baby?

CHORUS

(Befour/before) you came into my life

I (missed/mist) you so bad
