One hot day, an ant is was searching for some water. After walking around for some time, she comes came to a spring. To reach the spring she has had to climb up a blade of grass. While making her way up, she slipped and falls fell into the water. she could have drowned if a dove up a nearby tree has had not seen her. Seeing that the ant was in trouble, the dove quickly plucks plucked

a leaf and dropped it into the water near the struggling ant. The ant

moves moved towards the leaf and

climbed up onto it. Soon, the lift drifted to dry ground, and the ant jumped out. She was safe at last. Just at that time, a hunter nearby was about to throw his net above the dove, hoping to trap it. Guessing what he is was about to do the ant quickly bites bit him on the heel. Feeling the pain, the hunter drops dropped his net.

The dove was quick to fly away to safety.
