

Example Shopping Trip Story

 #Debra Lim just posted on her wall

I started the beautiful Friday morning at 8:00am sharp. I ate nasi lemak breakfast with my mother at home. We wanted to go shopping for some clothing and food. So, we took a bus to Toppen at 9:30am. We reached around 10am.

First, I bought RM49 shoes from Bata and RM108 sports shoes at Adidas. Then, I went to find some clothes at Uniqlo. I wanted to buy two dresses, but I could only afford to buy one. So, I bought one dress for RM50. After that, I went to Harris to buy some books. I used RM75 on English storybooks. For lunch, I went to KFC and used RM25 on a 2-piece chicken set. Finally, I had some cookies for RM10 from Lavender bakery. The bakery has many other things like cakes and bread too.

After a long day, my mother and I came back home via bus at 5:00pm. I spent more than RM300 on this trip, but I bought all the things that I have always wanted. I had a really great time and was filled with joy.
