

My name is Jonhy Jhonson, I am 45 years old and I am a pilot. I work in American Airlines and I wake up early everyday so I don't have any free time. I work from Monday to Friday and I rest on Saturday and Sunday. I like my job but I don't see my family very often so I miss them.

My name is Bob Bean, I am 38 years old and I am an architect. I live in Miami and I have my own business. I have a great team and we work very hard. In my job I draw designs, I write plans and then we build buildings. I don't have a wife but I have a pretty girlfriend and we like to go out and have dinner.

My name is Sally Sesame, I am 48 years old and I am a math teacher. I work in a high school because I like teenagers. I am married and I have two girls. I work just three days during the week so I don't have to wake up early and I have a lot of free time, so I take care of my family and sometimes I play videogames.

Do they like their jobs?

EXERCISE: answer the following questions
