

BE AWARE, TAKE CARE! (PART 1)

NAME:

CLASS:

Encik Hakimi and the pupils of 6 Robotics are talking about road safety. Listen to their conversation.

What do you call people who walk along or cross roads illegally, Encik Hakimi?

They are called jaywalkers.

What happens if people jaywalk?

Jaywalking often results in serious injury or at times death.

What are the safety measures taken to prevent people from jaywalking?

Pedestrian bridges and sky bridges are built for pedestrians to cross safely from one side of a busy road to the other. These bridges have lights, walls, roofs, and other safety features. They help to protect people walking on the bridge.

Listen to the statements and answer 'Yes' or 'No'.

1. Pedestrian bridges are built for people to cross the road safely. 
2. Jaywalkers adhere to road safety rules. 
3. There is only one type of bridge built over busy roads. 
4. Jaywalkers can be seriously injured if they attempt to cross roads illegally. 

Najmee is talking about safety features found around Sekolah Kebangsaan Tunas Cipta.

Using the pictures above, describe the safety features.

This is a speed hump. It is found outside school areas. It prevents drivers from exceeding the speed limit of 30 kilometres per hour.

This is a lollipop man. He stops traffic by holding the 'stop' sign. He makes sure school children cross the road safely.

zebra crossing
- near school
- motorists - give way -
pedestrians - cross

pedestrian bridge
- busy areas
- cross safely -
other side

traffic light
- road intersections
- light turns red - motorists stop -
pedestrians - cross safely

This is a zebra crossing. It is found _____. Motorists should _____ to _____ to _____ the road safely.

This is a pedestrian bridge. _____ near busy areas. Pedestrians can _____ to _____ using the _____.

This is a traffic light. _____. When the _____, motorists should _____ and _____ can _____.

ROAD SAFETY CAMPAIGN

Safe Malaysia Team will conduct a week long road safety campaign to promote safe driving and riding habits. The objective of this campaign is to raise awareness amongst Malaysian motorists to drive and ride safely on roads. The campaign will be held nationwide during school holidays and festive seasons.

Participating companies will distribute flyers at the toll plazas to promote road safety tips like 'Buckle Up: Seat Belts Save Lives' and 'Helmet On, Headlights On'. The Safe Malaysia Team will work together with Himda Motors Sdn. Bhd. to give out mini hampers consisting of chocolate bars, light snacks, mineral water, and a safety kit to motorists at main toll plazas throughout the country. Motorists who fill up fuel at designated petrol stations from 20-24 December will also get a free vehicle check.

The Road Safety Department will provide a demonstration on safety tips. Motorists are encouraged to drop-in and learn the importance of wearing seatbelts, safety helmets, and adhering to the speed limits. For cyclists, they will be provided with tips on the proper use of hand signals, wearing helmets, and safety gear. Free reflective clothing will be given to the first 100 attendees.

Fill in the blanks.
