# Oliver Tree - Life Goes On

Babe, you're too controlling
I'ma _____
When you _____, back at me
But, baby, don't distract me
I'm a goner, I lost her
Like why the hell you wanna
Play me that way? You're bad, babe
You _____ entendre

Life goes on and on and on and on and on and
On and on and on

Babe, you best believe it
I'ma _____ to pieces
I'm a lover, not a fighter
But I'll _____ this place _____
I want it, I'm on it
But, babe, at least I'm honest
I get tired of explaining
As these seasons keep on changing
Life goes on and on and on and on and on and
On and on and on (Yeah, yeah, yeah)

Work all day and then I wake up
Work all day and then I wake up
