

WATCH THE VIDEO AND ANSWER THE QUESTION

1. Given the data below,
 - a) Construct a frequency distribution table
Use 4 classes and begin with a lower class limit of 23.

32 35 28 40 30 42 55 40 45 24
28 34 40 36 34 40 30 25 28 32
40 35 25 44 26 39 38 42 45 32

Given number of class is:

Highest data:

Lowest data:

Calculate size of class: _____

So size of class interval is:

CLASS INTERVALS	FREQUENCY
-	
-	
-	
-	
TOTAL
