

## GRAMMAR QUIZ

NAME: \_\_\_\_\_

### Non-defining relative clauses

#### 3 Choose the correct option a, b or c.

Last night I went to a party, <sup>1</sup> I met some really interesting people. There were a lot of students there, <sup>2</sup> are here on exchange programmes from different countries. There was a girl called Mei from Beijing, <sup>3</sup> is here for three months. She wants to work in China as an English teacher, which is <sup>4</sup> she's come here to improve her English. I also met a man called Richard, <sup>5</sup> son is an actor. He's going to be in a play <sup>6</sup> starts next month, called *The End of Time*. It sounds really interesting. Richard is going to get me a ticket on Tuesday, <sup>7</sup> they go on sale. The play is at the National Theatre, <sup>8</sup> we watched that Shakespeare play last year.
