

- Cuenta los puntos de las fichas del dominó y une el resultado con el número que corresponda.  
 - Cuenta las bolitas y elige el número correcto.  
 - Completa con: <, >, =

Two rows of dot patterns for counting. Each row contains two 2x5 grids of dots and a dashed box with a downward arrow.

Five domino tiles with the following dot patterns: (1, 2), (5, 3), (6, 2), (5, 4), and (4, 6).

A row of numbers from 1 to 10, each enclosed in a circle.

Two columns of three boxes each. The left column contains: a box with 5 colored dots and an empty box; a box with 4 colored dots and an empty box; a box with the number 2, an empty box, and the number 5. The right column contains: a box with 6 colored dots and an empty box; a box with 5 colored dots and an empty box; a box with the number 3, an empty box, and the number 0.

Five domino tiles with the following dot patterns: (1, 1), (4, 4), (1, 1), (5, 2), and (6, 1).

A row of six comparison symbols: three less-than signs (<), two greater-than signs (>), and one equals sign (=).
