Hi Jamila!

How are you? Are you very busy at the moment? If not, let's have a meal together soon - I want to try the new French restaurant in the 1_____ - what do you think?

You must go and see Isabel's new 2_____ soon - it's so cool! It's in that really tall building near the 3_____ , and the view from her bedroom window is amazing, especially at night. You can see right across the 4_____.

It's quite 5_____ , but there's a big mirror on the living room wall. That makes it look bigger. She has a lot of beautiful old 6_____ like two leather armchairs, an enormous 7_____ and a big, red sofa from her aunt's house. It's so 8_____ - just right when you want to chat all evening!

The kitchen is lovely too. It's very 9_____ . It's great for Isabel, because she's a fantastic cook.

There are two bedrooms, so her sister can stay with her when she wants. Do you know Isabel's sister? She's an actress, and she usually works at the 10_____ here once or twice a year.

Next time she comes, we can all go out together if you want. Anyway, I hope you're well and do write and tell me all your news very soon!

Love,
Carrie
