"Somebody that I Used to Know"

BY GOTYE

Now and then I think of when we _____ together
Like when you said you felt so happy you _____ die
Told myself that you _____ right for me
But felt so lonely in your company
But that was love and it's an ache I still remember

You can get addicted to a certain kind of sadness
Like resignation to the end, always the end
So when we _____ that we could not make sense
Well, you said that we would still be friends
But I'll admit that I _____ glad that it was over

[Chorus] But you _____ to cut me off
Make out like it never happened and that we _____ nothing
And I don't even need your love
But you treat me like a stranger and that feels so rough
No, you _____ to stoop so low
Have your friends collect your records and then change your number
I guess that I don't need that though
Now you're just somebody that I _____ (2x)

Now and then I think of all the times you screwed me over
But had me believing it _____ always something that I'd done
But I don't wanna live that way, reading into every word you say
You _____ that you could let it go
And I wouldn't catch you hung up on somebody that you _____
(Chorus)
