Reading Comprehension: Understands

I. **Match the description to the natural disasters:**

|   |   |
|---|---|
|    | <p>A powerful fire that burns out of control across a large area.</p>                       |
|    | <p>A large amount of ice, snow, and rocks falling quickly down the side of a mountain.</p>  |
|    | <p>A strong wind in a desert carrying a large amount of sand.</p>                           |
|  | <p>A mass of rock and earth falling unexpectedly down a steep slope.</p>                    |
|  | <p>A sudden violent movement of the earth's surface, sometimes causing great damage.</p>    |
|  | <p>A flash of bright light in the sky produced by electricity</p>                           |
|  | <p>A very large and dangerous ocean wave that is caused by an earthquake under the sea.</p> |
